ABOUT
Sequim Lavender Experience is a collective of agritourism lavender farms and gift shops representing the Sequim Lavender Trail, working both independently and cooperatively in the Sequim-Dungeness Valley of Washington State. Each farm reflects the unique vision and personality of its owners and the surrounding landscape.

We are dedicated to promoting lavender agritourism in Sequim for the entire year, with a special focus on the summertime lavender growing season from June through September. We invite you to come and experience the beauty of the Sequim-Dungeness Valley all summer long!
